TO WHOM MAY CONCERN

It is my immense pleasure to write this letter of recommendation for [REDACTED] known her for two years (Class 11 and 12) at [REDACTED] Jhapakot Syangja, May 2015. I have monitored her academic performance in a capacity of vice. She is a very good student's both academically and in co-curricular activities. Not only is she intelligent but she is also very hard working and taken learner. She has a friendly nature that brings people to work together.

[REDACTED] is a confident and disciplined young girl who can no doubt adapt herself to any kind of situation. Moreover, she takes a marked delight in encountering new people and learning in a different environment. She will be absolutely determined to accomplish the task set to her in the set way she can. I strongly recommend that she will add to the honor of any institutions she desires to opt for her higher level studies.

I wish her all the best in her endeavors.
